Son Of Kick – Guacha (feat. Natalia Clavier)

“Guacha” is the follow up single to the **Son Of Kick** release “**Revolution ABC**” EP.

This monstrous slab of bass driven, hip hop fuelled beatmastery lined with THE most catchy lyrical chant from New York’s **Natalia Clavier**. It’s club banger; it’s commercial radio hit; it’s underground. Once again **Son Of Kick** nailed it by crossing boundaries and ticking boxes other producers can’t.

Alongside the original, **Son Of Kick** looked to the talents of **Disiz, Grems** and **Micro Coz** for added power for the “**Guacha Rekix**” version. Additionally, “**Revolution B**”, an equally massive tune from his aforementioned EP, was added to the vinyl 12” to complete the package while the digital version of the single (which is included as a free download for vinyl buyers) offers a dub version and also acapella.

A video has been produced and directed by **Neopen** and co-written by **SOK** and will drop on release date. A seriously sh*t-hot piece of filmatic action, loaded with the same level of suspense and tension as the music, available on November 5th on the Equinox Youtube (youtube.com/equinoxrecords) and Vimeo (vimeo.com/equinoxrecords) channels.
