Misanthrop & Aqua Luminus III. – 6 Years Later EP

6 years ago, **Misanthrop & Aqua Luminus III.** released the "Leinwand EP" on **Audiac Records** (an early subdivision of **Equinox Records**) as a 10inch picture disc. With their new collaborative offering, under the self-explanatory title "**6 Years Later EP**", the two producers combine once again.

The formula for their music has stayed the same: heavy beats, alongside raw cuts and samples blended together to create another banging electronic Hip-Hop release. However, it also offers some surprising new sounds as well as astonishing guest features: Underground hip hop legend **2Mex** (Visionaries, SonGodSons), **Fake Four's** very own **Ceschi** and UK rapper **James P Honey** provide superb lyrics and flows on "**20 Stories Later**"; the only non-instrumental track on the release. Additionally, the German turntablism legend **DJ Stylewarz** is cutting on "**The 1 Billion Euro Song**" alongside Munich's DJ icon **AI Rock**. Another skillful and mightily talented turntablist, **SNTC**, provides the scratching on „**57 Bars Ahead**“.

The "**6 Years Later EP**" features six tracks as well as two bonus tracks on the digital release. A definite sureshot in every record collection, refined with a fresh cover provided by **The Raincoatman**, the EP is released on July 20 as a limited edition 10inch.
